```

```

The diagram illustrates a class hierarchy. At the top, there are two boxes, both labeled 'QTextEdit'. Below them is a third box labeled 'curve_storage.gui.Comment'. A horizontal line with two upward-pointing arrows connects the two 'QTextEdit' boxes. A vertical line descends from the center of this horizontal line to the top of the 'curve_storage.gui.Comment' box, indicating that 'curve_storage.gui.Comment' inherits from 'QTextEdit'.
